

ECBA COMPETITIONS – IMPORTANT INFORMATION

Bowls England have announced that the 'temporary' playing conditions for the 2024 season will be the same as 2022 and 2023. As expected, they have not reverted to the old tried and trusted format

Once again, all Counties have been obliged to adopt these conditions for their own Championships but it should be noted that Bowls England maintain that these conditions remain experimental and are not at this stage permanent. That said, Bowls England are campaigning for these 'temporary' changes to be permanent from the 2025 season. Therefore, the revised **temporary playing conditions** for the County Championships during the 2024 season will be as follows
